ABOUT THE MOMENT

We've made the case for equitable grantmaking for years.

Now is the moment when we put our ideas into practice and **make progress**.

GSP's 2023 Biennial Convening: *The Forward Moment* will take place in Orlando, FL from August 30 - September 1, 2023. Our programming centers on four key focus areas: Climate, LGBTQ+, Immigrant, and Criminal Justice. We will also host our annual Membership Meeting and a Learning Tour of local partners working to build power in the greater Orlando area.

INVEST IN PROGRESS, SPONSOR OUR CONVENING.

Convening with community is integral to the work of Grantmakers for Southern Progress. Every two years, GSP gathers with our members in communities where grassroots leadership is actively working to advance progress in the South.

These Convenings offer a chance for members and practitioners to **connect with one another, share about their work, and brainstorm solutions** to move philanthropy away from extraction and *towards a justice-centered approach* where funders are in authentic relationships with directly impacted people.

Your **sponsorship helps support** the cost of planning and hosting our three-day event, provide honoraria to panelists offering their expertise to attendees, and ensuring that vendors are equitably compensated.
